

## VI INTERNATIONAL SYMPOSIUM INNOVATIONS IN LIFE SCIENCES

### *Second information letter*

***Dear colleagues!***  
***Belgorod State National Research University (Russia),***  
***Dezhou University (China),***  
***Tashkent Pharmaceutical Institute (Uzbekistan)***  
***invite you to participate in the***  
***VI International Symposium***  
***«INNOVATIONS IN LIFE SCIENCES».***

The symposium will be held at the Belgorod State National Research University (Belgorod) on ***May 22-24, 2024*** in a combined format. There is the possibility of ***remote participation*** in the work of the symposium (publishing materials only).

The symposium includes a number of scientific events (conferences, round tables, seminars, open lectures).

### ***The main directions of the symposium:***

- Fundamental and applied aspects of biotechnology and microbiology;
- Current issues of modern biology;
- Modern technologies in biodiversity research and plant introduction;
- Innovations in chemistry and chemical technology;
- Pharmaceutical cluster: education, science, production;
- Innovative food industry technologies.

A satellite conference ***“Biologized plant protection”*** is planned as part of the symposium.

### ***Key dates:***

- |                     |  |
|---------------------|--|
| <b>May 13, 2024</b> | deadline for registration and submission of abstracts;                   |
| <b>May 22, 2024</b> | registration of participants, opening of the symposium, plenary session; |
| <b>May 23, 2024</b> | sectional meetings;  |
| <b>May 24, 2024</b> | the conference “Biologized plant protection”.                            |

***Symposium languages:*** Russian, English.

Based on the results of the symposium, ***a collection of abstracts*** will be published. It will be included in the ***RSCI system*** (Russian Science Citation Index).

Abstract messages and literature reviews are not accepted for publication. Publication of materials by bachelor and master students is carried out only in co-authorship with a supervisor or as part of a team of authors. Individual publications from students are not accepted.

***Abstracts of reports*** (up to 2 pages, .doc format) for publication in the collection of the symposium, as well as a completed ***registration form***, are submitted by the authors ***on the symposium website*** - <https://ils2024.bsuedu.ru/en/>.

Instructions for working with the site and the rules for preparing abstracts can be found in the appendices to this letter.

The initial selection of materials is carried out by the organizing committee. Then the abstracts will be reviewed. The organizing committee does not plan to edit the abstracts or return them for revision.

***The program of the symposium and the electronic collection of abstracts*** will be published and available for download on the website <https://ils2024.bsuedu.ru/en/>.

WELCOME TO ILS-2024!

Dear colleagues!

Belgorod State National Research University (Russia), Dezhou University (China), Tashkent Pharmaceutical Institute (Uzbekistan) invite you to participate in the **VI International Symposium «Innovations in Life Sciences»**, May 22-24, 2024.

ANNOUNCEMENT

- [Information letter #1](#)

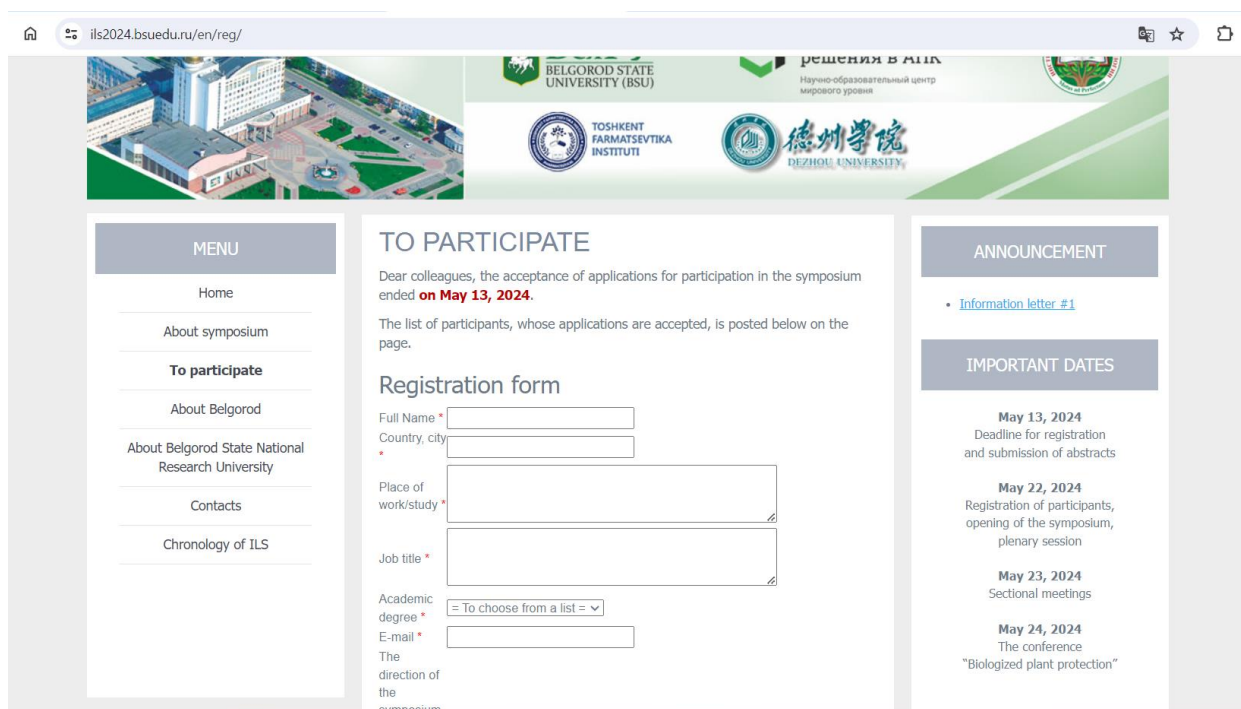

IMPORTANT DATES

**May 13, 2024**  
Deadline for registration and submission of abstracts

**May 22, 2024**  
Registration of participants, opening of the symposium, plenary session

**May 23, 2024**  
Sectional meetings

3. Fill out the registration form, attach abstracts (mandatory fields are marked with \*). **Note! You can submit an application without the obligation to attach a file with abstracts!**
